

Awards and accolades

GAIL: GAIL (India) Limited was declared the Best Corporate (in Large Companies Category) at the 2nd Institute of Company Secretaries of India (ICSI) CSR Excellence Awards held in Jaipur. The award was presented by Arjun Ram Meghwal, Minister of State for Water Resources,

River Development & Ganga Rejuvenation and Parliamentary Affairs. GAIL was selected for its contribution towards implementation of innovative practices in Corporate Social Responsibility.

SECI's rooftop solar pv power plant

SECI has commissioned India's second largest rooftop solar PV power plant at GAIL's petrochemical complex at Pata, Uttar Pradesh. The 5.76 MW solar plant is spread

over the roofs of two warehouses measuring 500 meter x 65 meter each. It would generate about 79,30,000 units of electricity per annum for GAIL's captive use. The plant is expected to reduce approximately 6,000 tons per annum of carbon dioxide emission and contribute towards India's goals under COP21 commitment.
